

210: AGM INVITATION – KEEPING UP THE TRADITION

Description

Issue No.210 – October 2022 : Rabiul Awwal 1444

We give praise and thank Allah Ta'ala for giving us the immense honour and privilege of serving the Ummah for another year.

Since our inception 26 years ago we have strived to live up to our founding principles of being open, transparent and accountable. In keeping with this we host Annual General Meetings in the major cities where our officials personally present their reports which includes our audited financial statements. We regard it a great privilege and duty to uphold this tradition and are anxious to personally report back to you.

Our warmest invitation is extended to you, your friends and family to join us at our AGM. Whether you are a supplier, certified plant, a subscriber, an acquaintance, a well-wisher, an Ulama body, a community organisation, Muslim or non-Muslim all are welcome. We will be honoured to receive you to witness our AGM.

For catering and seating purposes, please RSVP by **TUESDAY, 25 OCTOBER 2022**
